WHEN YOU ORDER
APOLLINARIS
BEWARE OF IMITATIONS.

Attempts are frequently made to palm off inferior Waters bearing labels closely resembling the genuine Apollinaris labels.

Bottles bearing the genuine Apollinaris labels are frequently filled with a spurious article.

LOOK AT THE CORK,

which, if genuine, is branded with the name of the Apollinaris Company, Limited, and the words "Apollinaris Brunnen" around an anchor.

For neuralgia bathe

Best Effects
In Tailoring.

Spring Overcoat Prices.

STORE CLOSED
TOMORROW
AT 12 O'CLOCK.

The best effects in tailoring to measure can only be had from the hands of skillful workmen. Quality of materials is one thing—the ability to put same into proper shape and style is another. The costliest and handsomest fabric in the hands of a poor workman loses its beauty and identity. We wouldn't attempt tailoring to order if we couldn't furnish finest materials and the best of tailor genius to fashion perfect clothing. Our lines of imported and domestic cloths are unsurpassed—our corps of tailors on the premises unequaled. There's the secret—best goods—most satisfactory results.

Spring Overcoats are at their best—past season's best efforts, at that time, are no comparison to the present styles and effects. Even prices are easier—$8, $10, $12, $15, $16.50, $18, $20, $22, $25, $28, $30, $35—and for shape and elegance they're incomparable.

Leaving your measure and waiting and fretting over the result of making shirts to fit you is uncalled for. Our system of proportionate sizes of neck, body, and sleeves enables us to fit the small, medium, large, and extra large men from stock at $1.00, $1.25, and $1.50—as fine a Shirt as you ever wore, we think.

The available receptacles for moving and traveling are brought well into play now—Trunks, Bags, and Satchels that are tough and roomy, and will stand packing and jamming, will do their share. We've crowded the basement full of sizes and kinds from the smallest Trunk to the largest.
